TVO Learn ✱ TVO Mathify

tvo learn mathify

Seamlessly bridge school-to-home math learning for Grade 4-12 students in Ontario. With TVO Learn Mathify, learners can access FREE 1:1 on demand math tutoring with Ontario Certified Math Teachers at home and can benefit from the interactive tools in a classroom setting.

Free live tutoring at convenient hours 7 days a week:

- Live 1:1 instant tutoring with friendly Ontario Certified Teachers on a collaborative white-board, with two-way audio, integrated text, recorded sessions, and ability to choose preferred tutors.
- Perfect for homework help, test or exam preparation, catching up on foundational skills, or as a collaborative workspace for assignments.

TVO Learn Mathify hours:

Monday to Friday:
9am – 9pm ET

Saturday and Sunday:
3pm – 9pm ET

Interactive tools for seamless learning:

- Collaborative interactive white-boards can be shared with students and used for feedback or evaluation.
- Access nearly 800 white boards with ready-to-use questions in Grade 4-12 curriculum strands in the Question Bank.
- Personalized math portfolio to store math learning for sharing at home and at school.

Registration requirements:

- Students require an OEN.
- Educators require a district email address.
