

TVOkids shares safe and fun learning experiences that prepare children for school and life. All videos, series and games are advertisement free and developed in consultation with educators.

Commercial free:

TVOkids sparks curiosity with shows and games that help prepare children for school and life. Our content is completely ad-free and is created with the help of educators to support kids aged 2-8.

Watch anywhere:

Catch TVOkids shows for free seven days a week:

- From 6am to 7pm on broadcast
- 24/7 on **TVOkids.com** or our TVOkids YouTube channel
- Check out our award-winning TVOkids Smart TV app
- Find TVOkids streaming channels on Roku, LG, Android, Amazon Fire TV, and Apple TV.

Whether you're at home, on the go, or anywhere in between, you can always count on TVOkids.

Educator-approved:

- We collaborate with Ontario educators to develop content that supports the entire elementary curriculum, including literacy, math, science, and music.
- Our resources highlight diverse voices, particularly from underserved communities—such as remote, Indigenous, racialized, and newcomer group.
